Pathways to Profit

What can I do with the skills I already have?

Let's find out together.

Your next step might be a new job, consulting, contract work, a small business, or growing something you've already started. We'll help you explore your options and build a pathway toward sustainable income.

Start

Launch a business or self-employment opportunity.

Grow

Strengthen an existing business or side business.

Contract

Turn your skills into consulting, freelance or contract income.

Work

Use your skills to land employment, including with small businesses.

What you'll receive

- ✓ Business feasibility and pathway assessment
- ✓ Personalized training based on your goals and skills
- ✓ Business, financial and entrepreneurial skill development
- ✓ Recognized credential upon successful completion
- ✓ Google Professional Certificate opportunities, when appropriate
- ✓ Financial and credit support
- ✓ Capital-readiness and funding pathway assistance
- ✓ Connections to employment, contract and business opportunities
- ✓ Coaching and connections throughout the GWW ecosystem
- ✓ 12 months of continued Greater Wealth Works membership

Serving 9 metro Atlanta counties: Cherokee, Clayton, Cobb, DeKalb, Douglas, Fayette, Gwinnett, Henry and Rockdale

Training ends. Your connection doesn't.

A full year of GWW membership after you finish.

WIOA funding may cover program costs for eligible participants.

Scan to get started

Getting started is simple.

Three steps. We'll walk with you.

You don't have to know your path yet. Start with these steps, and a Greater Wealth Works team member will follow up with you.

1

Take the pathway assessment

About 5 minutes. Tell us about your skills, goals and situation.
